T Tyler Faith hosts a sexually-charged radio show/webcast, and her interview style is rather unorthodox. "If you were a tree, what tree would you be?" Faith asks today's guest, Ashton Moore. "Please explain your answer, and then lick my PUSSY." Ashton doesn't hesitate. "I'd be an oak because I'm tall and strong. Now spread your cheeks and let me get my tongue on it." This is really an in-depth interview!

We love this!!!

SUNNY

I’m pretty liberal when it comes to sex. I’ll do it just about anywhere, but I am picky as to who I do it with. My boyfriend and I were fucking in our hotel room when a guy with room service knocks and comes right in. Well, we didn’t stop; told him to leave the cart and come back two hours later to get his tip. And he did.

MUST BE 18 TO CALL

CLUB
GOERS
MOVE
ASIDE

Arielle knew she looked hot. She always looked hot. That was the whole fucking point. She was 22 and with crazy wild blonde shoulder length hair, a great body, and perfect C-cup boobs. When she walks into a room, the air conditioning turns on automatically. Tonight, it's a short black leather skirt that barely covers her ass and a sleeveless sequined black top that stops at her bejeweled belly button. Silver bangles clinking on her wrists and big hoop earrings completed her look. Jumping into her red Miata convertible, she takes off for the biggest party of the year – Independence Day night at Fyreworx, the Club. She valets her ride and headed into the Club. It was a summer night, Friday, just before midnight. She was hoping to land a big thick cock that had come to the Club looking for a score. The very thought had kept her moist during the ride there. As she walked into the Club, she again felt all eyes look at her and fingers point.

Clubbers moved aside as she walked over to the bar. Along the way were stares and whispers and jealous looks. Undaunted, Arielle scoped out the crowd. Pickings were slim, she thought. many of the women looked good, but the men, not so much. "This is South Beach's best?" she wondered.

He stood up and offered his seat. He was tall, well over six feet. His tanned skin contrasted nicely with a fresh white dress shirt. She could tell he took care of his body. Nice muscles, not bulging, just right, she thought. She guessed he probably played on a basketball team. She looks him in the eyes and thanks him. He offers to buy her a drink and Arielle accepts. He is what she wants. And she'll get what she wants.

She climbs onto the stool making sure her skirt rode high and her cleavage hung low. He was taking the bait. She saw him look, then stare. After a minute the bartender takes her order and another minute returns with it. She takes her Mojito and stands to walk away smiled a 'thank you' at the young man. There was a bulge in the front of his pants. She notices with a smile on her face and decided right then and there to see how well he would play. She walks into the Club's craziness leaving him standing there staring after her. His right hand was rubbing a significant bulge in the front of his pants.

But he did not follow her into the crowd. He was still standing there. He had his phone out and was talking on it. She walked around for a few minutes and circled back to the bar with an empty glass and a stream of wanna-be suitors follow-

ing her. He was not there where she left him. He was a few stools away and she overheard him on his phone. "Man, check this out, that bitch is back!" He smiled as she came over to him.

She takes his phone and talks into it: "This is the bitch and you gotta go." Then she puts it down on the bar. "If you're man enough, I'll give you the blow job of your life, and maybe let you fuck my tight ass. Or are you all talk?" She takes the phone from the bar and shoves it into his front pants pocket pushing it into his cock. Looking at him and not waiting for an answer, she says, "This way." and walks away disappearing into the depths of the Club.

He follows her hair above the crowd tops to the back of the Club. Waiting by the Manager's office, she pushed it open and went inside, turning and motioning to him to come inside. Locking the door behind him, she motions him over to a black sofa. She dims the harsh lights and walks back to him crossing her arms over her chest. She looks down at his crotch and on que he unbuckles his belt and shoves his shorts and boxers down to the floor.

Arielle's blue eyes grew wide. He was bigger than she imagined. Maybe the biggest she had ever seen. Right before her eyes, his missile was rising. It was already very big and she decided she had better grab it before it got bigger. Aiming his cock at the back of her throat, she pulled it into hungry mouth. Then grabbing his sizable balls, Arielle gave them a slight tug and squeezed making him cry out. Pulling his cock out of her mouth, she looks up at him and says "You know

I'm not your bitch but a woman who's going to drain your balls and take my pleasure with you, and you're going to love it. So put your cock back in my mouth so we get this done and I can get back to my Club."

He stepped back not believing what he had just heard. 'Her Club?' Then Claudia smiled and sucked his cock right back into her mouth. 'He's going to feel so good inside me!' she thought as she pulled it back out. When it was out of her mouth, she could see how big the damn thing was. The sight of her saliva coating it and seeing her lipstick most of the way down to the base made her smile. Sitting down on the sofa, she sucked the guy for all he was worth. Long licks down the underside of his shaft; little bites to the skin on the topside; and flicks of her tongue into the slit on his cock head. She really was a good cocksucker and she knew it!

Standing up, she leaned over the sofa and hiked up her skirt over her hips exposing her naked ass. "Are you ready for my ass?" she asked turning her head back at him. He drops to his knees and starts licking her pucker. She could feel his tongue trying to push its way in. He stands and pushes the tip of his cock forward into her tightness it was something that made her tremble and think she might cum on his very first stroke. As if reading her mind, his big right hand slapped her ass. As he sank the last of himself deep into her anus, he left it there and she worked her muscles tighter around him. At the tightest squeeze, he pulls back and jams it back in establishing a rhythm that lasts for a long five minutes.

Claudia tells him to rub her pussy as she reaches back between her legs and grabs his swinging balls. Again she squeezes them and rolls them

around in her hand. She looked back at him and he was leering at her with open lust and unconcealed desire. Looking into his eyes, Claudia takes his hand from her pussy and pulls it up to her mouth licking her pussy juices off it. Watching her do this, he slams his huge cock deeper into her ass over and over again.

She moved her hand from his balls to her pussy and rubbed her clit harder and harder as he was drilling her again and again with his nine inches cock while never pulling out! She felt her orgasm beginning just below her belly and then exploding down to her toes and up through her stiff neck. Her nipples tightened against the fabric like she had not experienced in years! At the same time, her asshole squeezed and strangled the huge rod stuffed deep up inside her. He pulled almost all the way out and then with one last deep plunge, he slammed her ass and spewed everything he had into her.

She squeezed one more time and his softened cock slid out of her butt to hang low and low between his legs. They both slumped back onto the sofa and struggled to get their pounding hearts back to normal and get oxygen moving through more of their bodies than just their genitals. After a moment, Claudia walks over to the office desk and pulls the middle drawer open. Reaching into it, she pulls out a small stub of paper.

The guy had stood up trying to stuff his half-limp dick back into his pants. She walks over to the door and unlocks it and then walks back over to him. She hands him the business card sized paper and he looks down at it.

"Good for one free drink. Compliments of Claudia and the Fyreworx, the Club. Expires tonight."

LETTERS FROM OUR READERS

Letters that should or shouldn't have been written, or at least sent to us!

AEROBIC INSTRUCTION

I'm a 25-year-old happily married woman. This is my second husband, and as they say, second time's the best. And he is. Until recently, I thought I had been very content with my sex life, but now I'm a little confused. I have been married to this same wonderful man for more than two years. Our sex life is pretty normal. We do it once or twice a week still, even though when we were married it was four to five times. But that's another story. Then about two months ago, I met Rose Anne.

She's a beautiful brunette with a body men go crazy over. She's twenty-five and a bodybuilder-type. She's very strong yet very feminine. I have a nice figure myself, but next to her I realize there's plenty of room for improvement. Rose Anne and I met in the laundry room of our apartment complex a couple months ago. She was just finishing her wash and was putting her clothes in the dryer when I came in. Rose Anne was wearing a tight white tank top and blue shorts. I could see her nipples standing up beautifully, and her ass looked magnificent.

As we talked, physical fitness seemed to dominate the discussion. When I told her I wanted to lose fifteen pounds, she suggested we work out together. Then she suggested I come over to her apartment to do aerobics. Shortly thereafter we began working out together.

I admit that we were also doing

something other than working out... It had been a couple weeks and after every sweaty session, I was looking more and more at her fit body. I'd notice her bodysuit clinging to her, showing her beautiful breasts as if she wasn't wearing anything at all. Rose Anne was warm, open, friendly and beautiful; I couldn't help but find her attractive. I'm not sure exactly how we even got started, but I found myself kissing her. The first time we made love was incredible, the passion flared, and I've loved her ever since.

Two months later, Rose Anne and I get together twice a week still, but not for aerobics. I still fuck my hubby twice a week. I should feel great but I don't. I want to tell him about her, but I'm afraid he might end our marriage. We've never had kept any secrets from each other.

I talked to Rose Anne about my dilemma and she offered an interesting solution: a menage a trios. We've formulated a plan where the two of us would approach him about it. There should be no reason for us not to succeed. We know he can't refuse.

—Adrienne, Miami

I'M NOT SURE EXACTLY HOW WE GOT STARTED, BUT I FOUND MYSELF KISSING HER.

IN THE VIP ROOM

For the past two years I've been having an affair with a very lovely woman named Alana. I would see her every time I had business in Chicago. She meets me at the airport wearing a suit and carrying a sign with my last name on it. Yes, it's a bit of a ruse we've come to use, but it makes us feel a little better about things.

BLAIR-NTS-09

In order to keep things really fresh and exciting, I ask that we go somewhere new each time. Today it's to some unnamed place. I asked what that meant and she told me to just wait until we got there. It was 9pm when we started out so I guess it wasn't a restaurant, but when we pulled up to a strip club, my face flushed red. I hadn't been to one in almost five years. We go in and are escorted directly to the upstairs VIP room. I didn't ask how she got it. There are floor to ceiling windows and the floor and entire club is vibrating below us.

We watched for a while through the big plate glass window as half naked girls brought in champagne. There were a couple topless girls gyrating discreetly in the back of the room. I pulled Alana towards me. I started to kiss her and she willingly responded to me – then walked me back toward the sofa. We sat down on it and she motioned for one of the dancers to come over. "This is Dakota," Alana said and stood up so Dakota could sit next to me. In the back, I heard the other dancer lock the door and turn off the lights. Dakota then unbuttoned my shirt and undid my pants and pulled them off.

Dakota's nipples were as hard as bullets and she whispered that her pussy was wet for me. My cock was rock hard in anticipation, but I had to look at Alana for approval. She smiled and whispered 'Go for it.' Alana could see that I was enjoying myself. It kind of excited her.

Dakota was in just her shiny panties and clear-soled stripper shoes. She slowly wiggled out of them. The farther down they went, the more she bent over. She took a quick look at me and noticed that I was already at full attention. Now my attention was more towards her than to Alana. Dakota didn't

DAKOTA DIDN'T EVEN HAVE MY BOXERS COMPLETELY OFF BEFORE MY COCK WAS IN HER MOUTH.

even have my boxers completely off before my cock was in her mouth. I moaned as she slowly sucked the head of my cock and ran her tongue in complete circles around it. I couldn't believe this was happening. In my mind. I kept saying to myself that there was no way this was happening.

Dakota's mouth released my cock and she shimmied up onto the over-stuffed arm of the sofa and spread her legs, giving me a perfect view of her completely shaved pussy. I sat there staring at it with

my mouth open. I watched her rub it a little and then insert a finger inside. She then took it out and used it to motion me over to her. I slid over and she put her finger in my mouth. After I licked it, I lowered my head into the place where it was and lapped up her sweet pussy juices.

I wanted my tongue on it and in it. Never once did I take my eyes off of her pussy. I could hear my breathing into her womanly scent. When my breath hit her clit, it sent a shiver throughout her young,

naked, spread-eagled body. Dakota wasn't ready for that. The feeling of blowing on her clit sent a shiver up her spine. She made a little noise that was kind of like a gurgling squeak. That actually excited her more. Dakota reached to squeeze one of her nipples between her thumb and finger. Her nipples appeared to be harder than before. She could feel me start to lick her pussy so she just closed her eyes and leaned her head back. She wasn't aware of anything or anyone else. The only sensation for her was my tongue on her pussy. She reached down and held me by the hair.

She knew I wasn't going to go anywhere since having hold of my hair, she knew that my tongue didn't have a chance to leave. Tommy knew right then Amanda wasn't going to let his tongue leave her pussy. Every time I would run my tongue over her clit, she would pull my head down and thrust her hips up at the same

time. On the next thrust of her hips, I shoved my tongue inside her as deep as I could.

Dakota was so close to her orgasm that she was having trouble keeping herself under control. With every thrust of my tongue into her, she moaned louder until those moans turned into orgasmic groans. She came all over my face and finally released my head. I moved it up her body and began biting on her nipples, first one then the other. She threw her head back and groaned some more.

Then I sat back on the sofa and she followed me like a cat after prey. With my cock now only inches away from her mouth, she took it and started sucking eagerly, fondling my balls as she took as much of it as she could. As I neared my climax, Dakota sucked even harder. I shot a huge load of cum and she hungrily swallowed every last drop.

Alana then came to the front of the sofa with two glasses of the bubbly and handed one to Dakota and to me. She smiled at us and said that was quite a show.

– Baron, clubbing in Chicago
